

Hello Human World!!

I greet you! And I'm so happy to be here with you now. Because all turtles represent Mother Earth, I have been asked to speak. Please know, it is my pleasure. I just hope you can hear me. Many changes are happening around the world. Remember, as bad as it may seem, there is always something good occurring at the same time. Let's focus on the good! Please be aware of my brothers and sisters pictured below. We are a family, and that includes YOU! Gentle acts of kindness and appreciation can lift us up and help to sustain all of life. Color my world, my new friend.

Atlantic Loggerhead • Green Turtle • Hawksbill • Leatherback • Kemp's Ridley
